City of Portsmouth

Government

Portsmouth is a beautiful New England seaside community located near the coast of New Hampshire and situated between the cities of Boston and Portland. Portsmouth is a historic seaport and popular year-round tourist destination on the Piscataqua River.

The City is known for its rich history. The National Trust for Historic Preservation named Portsmouth to its list of America's Dozen Distinctive Destinations, calling the city one of the most culturally rich destinations in the country with a stimulating mix of historic buildings, sidewalk cafes, great restaurants, art galleries, jazz clubs and distinctive artisans' boutiques. Originally a working seaport where merchant ships traveled up and down the Piscataqua River, it is still a working port, where tugboats can be seen escorting ships through the treacherous currents of this tidal river. Portsmouth Historical Society

Portsmouth is a full-service community. Services include Administration and Finance, Public Safety, Schools, Economic Development and Regulatory Services, Library, Recreation, Senior Services and Public Works. The City has a professional staff of 800 full time employees, a budget of \$125M and enjoys a AAA bond rating.

The City offers a generous compensation and benefits package that includes retirement, paid time off including vacation, holidays, medical & dental insurance, flexible spending account, professional development, career growth, longevity incentives, and more!

Financial Professional - Manchester, NH 03101

Are you a leader who has the following traits?

- Competitive
- Entrepreneurial
- Coachable
- Communicative
- Self-disciplined
- Authentic

If the answer is yes, consider becoming an insurance agent to drive positive impact in the lives of families every day. At New York Life, you're in control of your career journey. Backed by a Fortune 100 company that is a leader in the financial services industry, New York Life will invest in you from the start, training you in valuable skills such as marketing, customer relationship management (CRM) and communication, and providing you with a development team and sales support to guide your success.

What we're looking for...

We're looking for people who want to make a lasting impact on the financial well-being of individuals, families, and small businesses. This is not just a sales job, it's a career with purpose and opportunity. You'll provide peace of mind to your clients while helping them navigate challenges that many of them find complex and confusing, such as preparing for retirement and saving for college. As an insurance agent, you will have the opportunity to see the positive impact of your work for years to come. You will grow personally and professionally along with your clients.

All other details such as training, support, digital support, products & solutions, human guidance and compensation shall be discussed during the interview.

Accelerated Path To Management Program - Manchester, NH 03101

Are you looking for a job where you can use your experience to propel your career into management? At New York Life, we will invest in you from the start to help you learn and grow as a financial professional first. We'll train you in valuable skills, such as marketing, business development, and customer relationship management, and provide you with the tools you need to further your career. Then we'll train you and provide you with access to the tools you need for a career in management.

What we're looking for

We're looking for people who want to make a lasting impact on the financial well-being of individuals, families, and small businesses motivated people who can answer yes to one of the following questions:

-Do you have sales or managerial experience in another industry?

-Have you previously run your own business?

-Do you have an MBA or other equivalent degree?

In the Accelerated Path to Management Program, you'll start off as a financial professional, learning how to sell our products, building client relationships, and meeting specific requirements¹ before transitioning into a management role. You'll then undergo a six-month intensive training program designed to prime you for success as a manager. You will use that experience to understand how to recruit and coach others to success.

All other details such as training, support, digital support, products & solutions, human guidance and promotion process and timeline, and compensation shall be discussed during the interview.

The Airfield Café

Restaurant

We are open year-round 7-2pm daily.

Breakfast and lunch is served all day, so don't sweat it if you'd like breakfast at 1PM or lunch at 8 AM, we have you covered! We took off in 1996 and have been soaring ever since. The business started out with plastic plates and a kitchen that was built into the dining room. We have expanded over the years and now have a state of the art kitchen with a large spacious dining room. You can watch planes fly around the dining room! Different model airplanes are carried over your head while you eat and enjoy the views. We have been graced with loyal customers over the years that have truly become a part of the family. We hope to continue expanding The Airfield Cafe family
