This event for the Southern Area of NH is for job seekers in every stage of their job search. Whether it be a first job, the first time having to seek employment in multiple years or looking to change career paths. There will be positions of varying levels in multiple industries. Job Seeker resources will also be in attendance to discuss what resources are out there to assist in changing careers, obtaining certificates, or finishing a degree.

Below you will find a description and contact information for different employers, educational options, and service agencies in NH that are looking for candidates or here to help you.
