

NH's Lakes Region Virtual Job Fair

Taking place Thursday, August 15th 2024

from 11:00am to 1:00pm

Join us virtually to get a jumpstart on your job search!

NH Employment Security and Business and Economic Affairs are proud to partner to showcase the positions in the Lakes Region of New Hampshire in this virtual job fair.

This event for the Lakes Region of NH is for job seekers in every stage of their job search. Whether it be a first job, the first time having to seek employment in multiple years or looking to change career paths. There will be positions of varying levels in multiple industries. Job Seeker resources will also be in attendance to discuss what resources are out there to assist in changing careers, obtaining certificates, or finishing a degree.

Below you will find a description and contact information for different employers, educational options, and service agencies in NH that are looking for candidates or here to help you.

Read through the employers and roles, identify the ones you are interested in speaking with at the job fair and mark them. At the job fair, you will find that each employer has their own table. Visit that table to talk to the representative. You will not be directly applying, but instead having a good conversation. The employers and resources are listed with their website and career pages as well as the contact information so you can follow up.
